## Message from the Board of Directors

**Rick Oliveira with Samson**

We may have already started the new year with our Big "5" Birthday Pawty and are setting our course for the future but let's take a moment to stroll down memory lane and look at we have accomplished. I like to tell our story with numbers. Sorry, once a bean counter always a bean counter... Our vision for Auburn Valley Humane Society is "To

be a model of excellence in the advancement of animal welfare." I think our standard of excellence can be reflected in our current live release rate, which is 98.26%. Let's say that another way, since we opened over 9,000 animals have been adopted and reunited with their humans. A little side note.... that is just the cats and dogs. A few other animals (rabbits, pigeons, guinea pigs, snakes...) that have come into our shelter have found homes too.

To have that kind of success our staff must have a lot of help. During our last five years that help came in as 139,158 volunteer hours valued at over 3.2 million dollars. With those kind of hours, we can reunite dogs and cats with their humans much quicker. Today, the dogs' average length of stay in the shelter is 6.3 days. While the cats like to hang around a little longer averaging 10 days stay in the shelter. Our volunteers also help our staff make the services, programs and community engagement aspect of our mission possible. Those aspects are our humane education, behavior/transfer program, outreach/adoption events, low income low cost spay/neuter, trap neuter release and our newest program - pet licensing.

When we conceptualized Auburn Valley Humane Society with our partner, the City of Auburn, our major task was sheltering the city's lost and homeless animals. Yet, we were unlimited in our dedication to a better, brighter future for Auburn Valley Humane Society. To enrich the lives of companion animals and

their people we didn't just want to give them sheltering, services, programs and community engagement. We wanted to be the best at advancing animal welfare. It was a no brainer that the City of Auburn trusted us to take on their annual animal licensing contract.

To be the best at what we can do, we have to believe that it is possible. While we have set some ambitious goals and standards in the animal welfare world, we believe that it is possible when enough people join and commit to the goals of Auburn Valley Humane Society. Since our first day, thousands of people have committed to the success of Auburn Valley Humane Society. If it was not volunteer hours, it was through generous donations. A little over 5 million dollars in donations since day 1. Thank You!!

Let me end my letter giving you something to think about. Recently, my Executive Director came to me and said "Rick, we are maxed out in our currently facility and we really need to start thinking about finding a larger space." Many of us tried to ignore the cramped spaces if we could. It has been difficult to sell the idea of doubling up animals and employees in the kennels!! Maybe we could teach Fido how to answer the phones!! While we joke about our situation, we are serious about being the best at what we do. You all have been so faithful and supportive of our shelter and we hope you will continue this journey with us as we work towards a larger facility.

Thank you everyone. Together, your shelter can continue to be the example all other shelters want to follow.

A handwritten signature in black ink, appearing to read "Rick Oliveira".

# Message from the Executive Director

As we look back at our fifth year of shelter operations, it again was a wonderful year of growth for the Auburn Valley Humane Society. The last year was a time of commitment and determination of our staff and dedicated volunteers to ensure the continued success of our young organization. We have grown as an organization, strengthening our philosophies, beliefs and practices as well as reaffirming our mission and the dedication to the citizens and animals in the communities we serve. Now it is time to look forward to our future.

As 2017 ends, we have journeyed a long way from where we were just a few years ago. The dream of having a first rate local animal sheltering facility has become a reality. This past year, we have revisited our mission statement and our vision statement and reaffirmed our core values. As an organization, we review our policies and procedures and are constantly looking to increase the quality animal care for the animals at the shelter.

During this year of growth, once again I would like to say how proud I am of our accomplishments as an organization. We continued the care and adoption of homeless pets and the humane education of children and adults throughout our community. Partnerships with local businesses have flourished. The relationships with the City of Auburn, the local veterinary community and the citizens of King and Pierce Counties have continued to grow. We have grown our fundraising efforts that so vitally assist us financially to maintain the animals in our care. The Auburn Valley Humane Society Thrift Store and More has continued to be a success. Because of the thrift store's success, we have been able to continue funding three vital programs. The retail store's success also allows the Shelter to open earlier and close later seven days a week.

Our primary goal is to find lasting, loving homes for the companion animals that come to us. This year a total of 829 dogs, 1,075 cats and 52 other animals were relinquished by their owners, transferred from other shelters or found as lost animals and taken into our shelter. We gave them loving

care, certified their health, administered all necessary vaccinations, microchipped, tested temperaments, and then spayed or neutered them. Once accepted into our adoption program, there is no time limit put on the animal's stay with us.

This year we placed 508 dogs, 920 cats and 22 other animals into adoptive homes. In addition, we reunited 241 lost dogs, 21 cats and 3 other animal with their owners. We also transferred 15 dogs, 40 cats and 11 other animals to local rescue organizations. Because euthanasia is never our first choice, we are proud to report that our live release rate for last year was 98.26%. Our adoption rate for dogs was 73.20%, and for cats was 94.65%. Our return to owner rate was 52.62% for dogs and 3.81% for cats, again both being higher than the national average. All animals that were adopted this year left our shelter spayed or neutered, vaccinated and microchipped. The AVHS Staff Veterinarian spayed or neutered 835 shelter animals and 355 public animals owned by low-income residents of King and Pierce County through our SPOT program.

We are not only an adoption agency; we are also an educational organization. Community outreach is a vital part of our shelter. Over 920 active volunteers spent 30,795.92 hours at our mobile adoptions, cleaning kennels and cages, doing laundry and dishes, walking dogs, helping with customer service and fundraising. Thanks to our dedicated volunteers and staff, we were also able to keep the world informed on our progress through our website and our AVHS Facebook page.

Over the past year our Board of Directors has grown, we have created and maintained our revenue stream and successfully managed our expenditures. We also grew our animal related/human service programs. Because of the successful launch of the Shelter Buddy Reading Program, hundreds of children spent their summer reading to our cats in feline adoption. The Girl Scout Badge program saw 90 Girl Scouts received their AVHS patch in 2017. AVHS has continued a memorandum of understanding with King County and DAWN to house the pets of domestic violence victims in our community and we partnership with Seattle Humane Society for the Pets of Seniors Food Bank has continued to grow.

Acknowledgment for these many successes goes to our dedicated staff and volunteers, the support of the City of Auburn and neighboring animal sheltering agencies as well as the generous devotion of the citizens of King and Pierce Counties, and of course, the supporters of the Auburn Valley Humane Society. We have again ended this past year as an active and vibrant part of our community. We are thankful to have been able to accomplish what we have this year. We could not have done it without your help and we are honored to be here among you, continuing our mission.

## LENGTH OF STAY ... MAKING A DIFFERENCE

## Bruce Wayne

He has become very lively and playful. Lots of puppy hugs and love. He sleeps great with his new dog blanket. He sits by it and wraps up sleeping on the couch with it. He gets along with everyone. All in all he is a great puppy. He is the best! We are crazy about him ... you couldn't ask for a better dog! He is an absolute JOY!  
Adopted 11.05.17

*Changing Lives ... Four Paws at a Time!*

## Chaplin

Chaplin now Archimedes, my little owl cat who is extremely shy. He goes to his hiding place under the couch. He has allowed me to wipe his leaky eyes and let me rub himself into my hand and arm. He is encouraged to come out and hang out with me soon.  
Adopted 6.9.17

## Buddy

Buddy and I are having a blast getting to know each other! I don't go anywhere alone including the bathroom-LOL. He's been trained to sit, stay, but needs work on the come command! He's been a blessing to me and I look forward to many years of "lick my face."  
Adopted 10.26.17

## Fozzy Bear

He is settling in quite nicely. In fact, he did so right from the start. He is loving and constantly shows his gratefulness for being given a safe and loving home.  
Adopted 12.04.17

## Honey

We absolutely love Honey so much. Since she has nestled her way into all of our hearts. We look at her and she starts purring. She is best friends with her kitty brother. She's not quite sure of the dog but is slowly warming up to him. Adopted 12/15/17

### Louie

Louie is doing very well in his new home! The first thing he did was run very fast in very large circles for several minutes! He is learning to play with my new sister, Layla. His favorite toy is an ostrich, as I shake and shake it while growling ferociously. He growls like an alpha wolf but stops and give everyone a lick to remind that he is nice dog. Love, Louie, "King Louie" as he is called now.

Adopted 11.6.17

### Jada

Our family is complete after we adopted our sweet Jada Girl. Jada loves following us where ever we go. She likes short walks to the bus top to get my little humans from the school bus. She likes car rides and shopping at Petsmart. Jada loves to play with her brother, Blaze. She is a perfect fit for our family. We are so glad she is furrever ours!

Adopted 10.4.17

### Wrigley

Wrigley is very smart and an outstanding companion. He is adapting well to his new home, owners and furr friend, Rador. He has lots of manners and training. The outburst of energy when let loose is normal and while roamin the house he is very well behaved. He is a great jogger but still needs some work passing other animals on the trail. He is a huge gain for our family. Adopted 1.28.17

### Milo

Milo is doing great with his new family. He has trained his two dog sisters in proper interactions in two days, and his cat sister and brother have warmed up to him. He is happily exploring every nap spot. He hides for hours and then loves long hugging sessions He is both relaxed and curious. He is delightful. Adopted 8.22.17

### Duke

Duke is settling in very nicely. I was so lucky as my Vet friend lives in Kent and checked him out for me. She knew he would be perfect for me. I took the Clipper from Victoria and brought him back on the Clipper. He was an angel. I am so happy! Adopted 1.20.17

### Louie

Louie has been a perfect addition to our little family! Louie LOVES to cuddle. If you are under a blanket, he will find a way to wiggle under the blanket with you! Even though he is 7, he still has a fun personality and is always excited when new people come over to visit! He loves his new family but is a mamma's boy at heart. Adopted 12.14.17

## Monkey

Monkey, now Yogi, is a very relaxed dog as he loves to stretch a lot. After his first grooming, he looks totally different. He enjoys going out for walks twice day and running to look for squirrels. Yogi loves to be close to his family and wants his belly and chest rubbed. He is a very cuddly dog! Adopted 11.18.17

## Juice

Juice, now Zeus, runs with us on Saturday and Sunday. He loves the woods with all of the new smells and jumping over things. We taught him to swim, after a big day of swimming he fell asleep sitting up. In July he started sheep herding, he is actually very good. He is such a smart dog. His off leash commands are so good learning to herd has been fairly easy (other than learning a new vocabulary). It is one more activity that challenges him physically and mentally. When he is herding, you can tell that he actually has to think about what he is doing rather than just chasing prey. We are hoping to run him a trial in October and the trainer wants them both to do the Rottweiler Wrangle in December. Adopted 3.2.17

Adopted 6.15.17

## Kolby

Cadabra has been renamed Kolby. He has two older brothers, Mack and Jack. They tolerate him. Jack is acting more like a kitten around him, playing sometimes and then bopping him on the head when he's annoyed. Kolby is very playful and active. He plays hard and then crashes fast asleep. He enjoys all the kitty toys we have, especially the little tent and balls. During the day he hangs in the office on a cat tree and watches me work.
