## 2018

Annual Report of the Auburn Valley Humane Society

Pippin, a 7 year old Pomeranian, was diabetic, blind, needed a special diet, and at risk of euthanasia at another shelter. He was transferred to AVHS for a second chance. He was adopted in April 2018 to his forever, loving home! He follows his adopter around with every move and is loved to pieces!

## Message from the Board of Directors

Greetings my fellow animal lovers!!

Life has returned to some normalcy after the holidays at the Oliveira household. Samson, our beloved dog, still looks in the corner where the Christmas tree was and wonders where his presents went. Rest assured, Santa will bring more toys and treats for him next year!! It was more fun watching Samson open his presents than his little human brother.

We are beginning our 7th year of operations at Auburn Valley Humane Society. The adage, "Where did the years go?" really resonates in my head. A few pages later in this report, you can read about shelter and thrift store milestones and statistics accomplished during 2018 in the message written by Phil Morgan, AVHS's President and CEO.

Let me touch on a few of the accomplishments from the Board and AVHS as whole. Last month, the Board unanimously voted to exercise AVHS's intent to exercise the option to extend our agreement with the City of Auburn for Animal Control Services for another seven years. We also exercised our intent to be the service provider for pet licensing program for the City of Auburn. The Board of Directors absolutely revere our partnership with the City of Auburn and look to an equally fruitful relationship together that will benefit the two-legged and four-legged residents of Auburn. I really want to thank Mayor Nancy Backus, the Auburn City Council

members and city staff (particularly Shelley Coleman, our city liaison board member) for their continued partnership that is equally interested in AVHS's success as well as championing the goodness of Auburn as a whole. This successful relationship is a big WIN for all Auburn residents and their beloved pets.

Last year the Board voted to have AVHS undergo an audit of its accounting procedures and financials. I am pleased to announce that Auburn Valley Humane Society completed its' first ever financial statement audits for the years ending December 31, 2016 and 2017. While the word "audit" makes many people anxious, I have been around enough of them to not fret. Additionally, I have been around enough audits to know that when you get a clean opinion and remarkable comments regarding our staff and organization from the auditor that is a BIG DEAL. The Board has already voted to have another audit for the year ending December 31, 2018, and we expect the same favorable outcome with the auditor. With the completions of the audits, Auburn Valley Humane Society will be able to apply for many private, state and federal grants and with those grants receipts AVHS will be able to offer expanded educational opportunities, community events and further our vision "To be a model of excellence in the advancement of Animal Welfare."

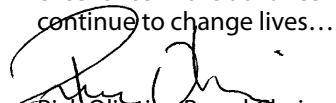

You may have noticed a small change that the Board approved in December and that was the re-alignment of Board and staff titles. This was to remain on the path of being a progressive, cutting edge organization and to normalize title nomenclature with other Animal Welfare organizations. The most noticeable changes were the changing of the Board President and Vice President to Board Chair and Vice Chair. At the staff level, some

managers were given the title of Director and our Executive Director has been given the title of President/CEO. While this change will not affect the day-to-day operations of AVHS, it will enhance the perception of AVHS by grant making organizations and peers in the Animal Welfare Industry.

As you can see from my message and Phil's following message, 2018 has been a year of hard work and goal accomplishing success. For 2019, the Board, Phil, and senior staff have equally promising goals. Let me share a few of them with you... who knows, maybe there is a place for you to contribute helping us WIN big for all our community's animal friends and companions.

- AVHS is looking forward to auditing 2018 financials and strengthening our financial policies and procedures.
- AVHS is looking forward to strengthening our organizational base by growing our Board of Directors with local, dedicated supporters and resources with the goal of expanding our spheres of influence.
- AVHS is looking forward to exploring facility expansion and organizational growth to facilitate the advancement of quality animal care for the animals not only in our community, but in our neighboring communities as well.
- AVHS is looking forward to exploring the growth of additional public service and revenue generating programs.

I want to thank all our donors, volunteers, staff, the City of Auburn, and our Board of Directors for your time, talent and generous contributions!!! I can seriously say, you all have helped me, as the Chairperson of this organization to make Auburn Valley Humane Society an organization to revere and to envy. With your continued commitment, AVHS will be a model of excellence in the advancement of Animal Welfare and will continue to change lives... four paws at a time.

  
Rick Oliveira, Board Chair

# Message from the PRESIDENT/CEO

As we look back at our sixth year of shelter operations, it again was a wonderful year of progress for the Auburn Valley Humane Society. The last year was a time of commitment and determination of our staff and dedicated volunteers to ensure the continued success of our expanding organization. We have grown stronger as an organization, strengthening our philosophies, beliefs and practices as well as reaffirming our mission and the dedication to the citizens and animals in the communities we serve. We are excited to look forward to our future.

As 2018 ends, we have journeyed a long way from where we were just a few years ago. The dream of having a first rate local animal sheltering facility six years ago has become a reality. This past year, we have revisited our mission statement and our vision statement and reaffirmed our core values. As an organization, we review our policies and procedures and are constantly looking to increase the quality animal care for the animals at the shelter.

During this year of growth, once again I would like to say how proud I am of our accomplishments as an organization. We continued the care and adoption of homeless pets and the humane education of children and adults throughout our community. Partnerships with local businesses have flourished. The relationships with the City of Auburn, the local veterinary community and the citizens of King and Pierce Counties have continued to grow. We have grown our fundraising efforts that so vitally assist us financially to maintain the animals in our care. The Auburn Valley Humane Society Thrift Store and More has continued to be a success. Because of the thrift store's success, we have been able to launch two new programs and continue the funding of three vital services. The retail store's success also allows the Shelter to open earlier and close later seven days a week.

Our primary goal is to find lasting, loving homes for the companion animals that come to us. This year a total of 857 dogs, 1,352 cats and 57 other animals were relinquished by their owners, transferred from other shelters, or found as lost animals and, taken into our shelter. We gave them loving care, certified their health, administered all necessary

vaccinations, micro chipped, tested temperaments, and then spayed or neutered them. Once accepted into our shelter, there is no time limit put on the animal's stay with us.

This year we placed 503 dogs, 1125 cats and 20 other animals into adoptive homes. In addition, we reunited 247 lost dogs, 32 cats and 1 other animal with their owners. We also transferred 17 dogs, 47 cats and 22 other animals to local rescue organizations.

Because euthanasia is never

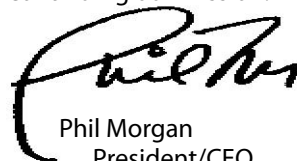

our first choice, we are proud to report that our live release rate for last year was 97.99%. Our adoption rate for dogs was 69.00%, and for cats was 93.75%. Our return to owner rate was 54.29% for dogs and 4.86% for cats, both being higher than last year as well as the national average. All animals that were adopted this year left our shelter spayed or neutered, vaccinated and microchipped. The AVHS Staff Veterinarian spayed or neutered 1,111 shelter animals and 411 public animals owned by low-income residents of King and Pierce County through our SPOT program.

We are not only an adoption agency; we are also an educational organization. Community outreach is a vital part of our shelter. Over 1005 active volunteers spent 34,000.37 hours at our mobile adoptions, cleaning kennels and cages, doing laundry and dishes, walking dogs, helping with customer service and fundraising. Thanks to our dedicated volunteers and staff, we were also able to keep the world informed on our progress through our website and our AVHS Facebook, Twitter and Instagram pages.

Over the past year our Board of Directors has grown, we have generated and maintained our revenue stream and successfully managed our expenditures. We also grew our animal related/ human service programs. In 2018 AVHS launched the Public Veterinary Assistance and the Pets in Crisis funds and assisted the owners of 21 animals with emergency medical and boarding needs. Because of the successful of the Shelter Buddy Reading Program, 90 children spent their time reading to our cats in feline adoption. The Girl Scout Badge program saw 91 Girl Scouts received their AVHS patch in 2018. AVHS has continued a memorandum of understanding with King County and DAWN to house the pets of domestic violence victims in our community and we partner with Seattle Humane Society for the Pets of Seniors Food Bank has continued to grow.

Acknowledgment for these many successes goes to our dedicated staff and volunteers, the support of the City of Auburn and neighboring animal sheltering agencies as well as the generous devotion of the citizens of King and Pierce Counties... and of course, the supporters of the Auburn Valley Humane Society.

We have again ended this past year as an active and vibrant part of our community. We are thankful to have been able to accomplish what we have in 2018. We could not have done it without your help and we are honored to be here among you, continuing our mission.

Phil Morgan

# HAPPY TAILS

## Swiss Miss

Swiss Miss (now Lucy) is working out very well. She is really a great dog. As you probably know, she is a very friendly girl with both people and other dogs. As it turns out she is house broken. She is getting along very well with my other dog Bernie. Also she isn't too bad on a leash although she will need some more training before I can walk her together with Bernie. She is actually fairly responsive on the leash and she loves walking around our property. She already has gained two more pounds and is filling out nicely.  
Adopted 12.6.18

*Changing Lives ... Four Paws at a Time!*

## Lucille

We were elated to find out that Lucy would be our new family member!!!! After signing the agreements, picking out some doggie supplies, paying our fees, and posing for adoption pictures, my son, Lucy, and I were off to buy Lucy a new bed!  
Adopted 9.23.18

## Baby Bean

The staff and the volunteers were great. Baby Bean is a delight. She is bonding well with the dog and the other cats. Love to send pictures, let me know address. Thanks, God Bless and much Love.  
Adopted 10.26.18

## Miss Isis

Miss Isis is living her best life right now. We were told she longed to be an outdoor kitty and was quite the escape artist in her previous home. She has already exhausted herself investigating our cat-friendly neighborhood and spends her days lounging on the front porch.  
Adopted 8.30.18.

## Falcor, Storm, and Sunny

All three are doing well. We named the white faced one Falcor, and the bonded pair Storm and Sunny. All three went to the vet last Monday and are in good health, although Falcor has a cold and was prescribed antibiotics. None are hand tame yet, but we are making good progress with that and it's just a matter of time and patience. They will take treats if offered, and they really love getting millet. Thank you to all the kind staff there for helping us adopt these beautiful animals!  
Adopted 8.13.18

## Gracie

Gracie is doing wonderful and I am so happy and thankful to have her as a companion in my home. Her "cattitude" went away almost the moment she was introduced to her new house. She has been so sweet and happy and I've has been such a delight having her in the family. Her and my 1yo Aussie Doodle Maisy have slowly become good friends.  
Adopted 11.24.18

## Major

Major is a fantastic dog... We love him. We had a couple disagreements in the beginning but he is learning to share his toys with us and is very very smart.. he has learned so many tricks and is so lovey... still a big talker but the aggression is gone and now its talking to get more loves.. thank u again.. we absolutely love him..  
Adopted 9.18.18

## Bruno(l) and Shopie

Bruno and Shopie (both adopted from AVHS). Bruno is fitting right in as you can see.  
Adopted 10.23.18

## Purrcey

He is running around playing at top speed! He is very cuddly and purrs very loud. I see where he got his name! It was a perfect fit for us as well as my Lucy who I also got from you. Now I have two wonderful black cats and love them both.  
Adopted 5.27.18

## Peaches

Peaches is doing great! Mickey and Peaches are best buds. We are letting them sleep in our room on dog beds at night. Peaches has a bit of separation anxiety from Mickey, it's kind of cute. Still haven't heard her bark but she is attempting to wrestle with little Mickey and they play chase. Peaches is very social. She is using the dog door and going out to potty in her yard. She follows us everywhere.  
Adopted 9.6.18

## Bliss now Darby

Here's bliss now! We renamed her Darby. She likes kitties and running off leash and is a great listener. She really is a great doggy. Adopted 9.6.18

## Walle

I adore Walle and could not ask for a better companion. He adjusted very well and loves to lay but the windows and relax. The staff at the Auburn Valley Humane Society were awesome and I would come back again one day to adopt another, years from now. Adopted 4.28.18

## Basil

At first, my current Sphynx cat Clemmons really wanted to play with Basil. Basil unfortunately wasn't ready right away. I followed your steps in the pamphlet and on day four, both cats seem to have settled in. They are sleeping and playing together, constantly. Hissing is only coming from Basil and its not constant at all. Maybe three times a day now.

Clemmons needed a friend and I am very thankful I was able to adopt Basil. He is already responding to his name with the cutest squeak back, constantly purrs when pet or picked up. He runs at high speeds and then cuddles at night. Exactly what my cat needs.

Adopted 8.29.18

## Thelma

Thelma is doing WONDERFUL! My niece ADORES Thelma, they watch TV together, Thelma gets to climb on her stuffed animals in her bedroom, she loves baths. Isabella (my niece) has a brother and parents who also get to love on Thelma. This bearded dragon has personality and she is a perfect fit for their family. Adopted 4.8.18

## Sutter now Henry

We had a great experience adopting Henry (formerly known as Sutter). Henry was very shy for the first couple of days but once he felt comfortable, he started exploring his new space. He's very curious and playful. Once he's spent all of his energy, he enjoys taking naps all over the house or on our laps. He's a little ray of sunshine and a wonderful addition to our family.

Adopted 9.2.18

## Captain Meowcolm Reynolds

We love him!!!! He is doing great!!! and he is pretty vocal too. "Cap" is adjusting pretty well. He is a little jumpy still when we stand up or walk towards him if we are going somewhere.....

We run a small upholstery business, so he has soooooo much to explore. We are planning on letting him out, as he is very curious about the outdoors. He loves our laps and lays between us on armrest while we watch tv at night.

Adopted 7.22.18

## Stella with Hamlet

Stella came into the shelter as a puppy rescued from Texas. She was living in squalor under a condemned house with her litter mates and Mom, Lady. She was adopted by AVHS Executive Director, Phil Morgan, who took her home to Idaho to live with the 200 pound pig Hamlet. Stella loves to chase the deer, moose and wildlife and Hamlet tolerates her. A happy adoption!

Adopted 5.30.18

## Dylan now Milo

Dylan's new name is "Milo" and he is a great little cat! He knows where all his important things are: food, water, and kitty box. Milo knows my voice and always greets me with a "meow" and is purring like crazy when I pick him up for kisses. Milo's personality is starting to show and he's definitely an independent little guy! He's loves chin scratches, and lots of petting, but he's not much for snuggling. Milo prefers to lay next to you, or on the back of the couch by your shoulder - than curling up in your arms, or on your lap. Our family had recently lost Lucy, our canine companion who was with us for 13 years. I felt like I had a piece missing from my heart and now I have Milo. He is my new little buddy!

Adopted 8.11.18

# MORE HAPPY TAILS

## Buck now Huckleberry

We renamed the pup Huckleberry, Huck for short, after Huckleberry Finn. It's fitting given his lawless upbringing on the streets, but it's obvious that at the end of the day, he is a sweet boy with a benevolent heart. Huck is settling in better than we could have imagined. He has brought so much happiness to our house. He has already learned sit, stay, shake, down, leave it, off, up, Target, and 'give me kissies'. He's so outgoing and friendly that we're just starting to practice coming when we're called when there are lots of other exciting alternatives, like at the doggy park. He's sweeter than pie, and has been incredibly gentle meeting children. He's been a real diva about getting on the couch, but we got him a fancy bed that should be up to his snuggly standards, and he seems to love it. Don't worry- he'll be allowed on the couch eventually, but by invitation only. We're learning our manners first! He's adjusted well to living with the other pup at home, and is happy to be part of a pack. We're a happy little family and couldn't be more thrilled to add Huck to the mix!

Adopted 8.9.18

## Freya

We adopted Freya a little over 2 weeks ago and things are going great. She is super low maintenance and didn't really seem to need an adjustment period. We had a crate set up for her to use while we were gone during the day but it was obvious after a couple days she didn't really need it. She is so easy going. She likes to hang out in with the door open during the day but she has free roam of the house when we are gone. She loves to be outside and likes to explore the backyard and the neighborhood on our walks. She loves playing tug of war with the rope and we are practicing shaking hands, laying down and hide and seek with treats. When she wants attention she will paw at us and then run her head right into your chest. She really is the sweetest soul.
