Annual Report of Auburn Valley Humane Society

Lucy is a 3 year old American Bulldog mix. She was overweight, needed a special diet, and at risk of euthanasia at another shelter. She was transferred to AVHS for a second chance in May. She was adopted in July to her forever, loving home! She is loved to pieces!

Message from the Board of Directors

Greetings my fellow animal lovers!!

Welcome to the new year and decade of 2020! Wow! Can you believe it is 2020?

“What did we accomplish in 2019?”

Our vision for Auburn Valley Humane Society is “To be a model of excellence in the advancement of animal welfare.” Our standard of excellence is reflected in our current live release rate, which is 98%. Since we opened, over 9,550 animals have been adopted and 1,836 have been reunited with their humans. While most of those animals are cats and dogs, there are a few other animals (rabbits, pigeons, chinchillas, geckos) that have come into our shelter and found homes, too.

To have that kind of success, our staff must have a lot of help. During our last seven years that help was performed by 207,517 volunteer hours valued at nearly \$5.9 million dollars. We reunite dogs and cats with their humans quickly. Today, the dogs’ average length of stay in the shelter is just 5.3 days. While the cats hang around a little longer, averaging 11 days stay in the shelter. Our volunteers support our staff to make the services, programs and community engagement aspect of our mission possible. Community engagement includes our humane education, behavior/transfer program, outreach/adoption events, low income low cost spay/neuter, trap neuter release, and our newest program - pet licensing.

When the AVHS founders conceptualized Auburn Valley Humane Society with our partner, the City of Auburn, our major task was sheltering the city’s lost and homeless animals. Yet we were limitless in our dedication to a better and brighter future for Auburn Valley Humane Society, including enriching the lives of companion animals and their people. We wanted to be the best in advancing animal welfare. The City of Auburn trusted AVHS to take on their pet licensing program.

To be the best at what we do we have to believe that it is possible. We have set some ambitious goals and standards in the animal welfare world. We believe that this is possible when enough like minded animal advocates join and support the goals of Auburn Valley Humane Society. Since our first day, thousands of people have supported the success of Auburn Valley Humane Society. If it was not volunteer hours, it was through generous donations. We have generated \$9.6 million in revenue over the past seven years, of that our supporters have donated over \$2.7 million dollars. **Thank You!!**

During a strategic board meeting, it discussed space issues for the organization. AVHS can not expand further in our services because we are maxed out of space in our current facility. AVHS

needs to find a larger space. I am pleased to tell you that the board has taken the first of the many steps towards a new facility. The AVHS Board of Directors unanimously approved a ten-year contract with the current AVHS President/CEO Phil Morgan. We look forward to Phil’s leadership and guidance in bringing Auburn Valley Humane Society into a new home.

You all have been so faithful and supportive of our shelter, and we hope you will continue this journey with us as we work towards a larger facility.

Thank you everyone. Together, our shelter can continue to be the example all other shelters want to follow.

I want to thank all our donors, volunteers, staff, the City of Auburn, and our Board of Directors for your time, talent and generous contributions! I can seriously say you all have helped me, as the Chairperson of this organization, to make Auburn Valley Humane Society an organization to revere and to respect. With your continued commitment, AVHS will be a model of excellence in the advancement of Animal Welfare and will continue to change lives... four paws at a time.

Rick Oliveira, Board Chair

Message from the PRESIDENT/CEO

As we look back at our seventh year of shelter operations, it again was a wonderful year of progress for Auburn Valley Humane Society. The last year was a time of commitment and determination of our staff and dedicated volunteers to ensure the continued success of our expanding organization. We have grown stronger as an organization, strengthening our philosophies, beliefs and practices as well as reaffirming our mission and the dedication to the citizens and animals in the communities we serve. We are excited to look forward to our future.

As 2019 ends, we have journeyed a long way from where we were just a few years ago. The dream of having a first rate local animal sheltering facility seven years ago has become a reality. This past year, we have revisited our mission statement and our vision statement and reaffirmed our core values. As an organization, we review our policies and procedures and are constantly looking to increase the quality animal care for the animals at the shelter.

During this year of growth, once again I would like to say how proud I am of our accomplishments as an organization. We continued the care and adoption of homeless and abandoned pets and the humane education of children and adults throughout our community. Partnerships with local businesses have continued to flourish. The relationships with the City of Auburn, the local veterinary community and the citizens of King and Pierce Counties have continued to grow. We have grown our fundraising efforts that so vitally assist us financially to maintain the animals in our care. Auburn Valley Humane Society Thrift Store and More has also continued to thrive. Because of the thrift store's success, we have been able to grow the Humane Services programs we perform and continue the funding of these vital services. The Thrift Store's success also allows the Shelter to remain open to the public seven days a week.

Our primary goal is to find lasting, loving homes for the companion animals that come to us. In 2019, a total of 889 dogs, 1,488 cats and 114 other animals were relinquished by their owners, transferred from other shelters, or found as lost animals and, taken into our shelter. We gave them loving care, certified their health, administered all necessary vaccinations,

microchipped them, evaluated their temperaments, and then spayed or neutered them. The homeless or abandoned animals that required dental care or extraordinary medical care, also received it. Once accepted into our shelter, there is no time limit put on the animal's stay with us.

This year we placed 498 dogs, 1226 cats and 65 other animals into adoptive homes. In addition, we reunited 247 lost dogs, 34 cats and 3 other animal with their owners. We

also transferred 22 dogs, 56 cats and 19 other animals to local rescue organizations. Because euthanasia is never our first choice, we are proud to report that our live release rate for last year was 98%. Our pet reunited with their owner rate was 54.17% for dogs and 4.91% for cats, both being higher than last year as well as the national average. All animals that were adopted this year left our shelter spayed or neutered, vaccinated and microchipped. The AVHS Staff Veterinarian and our Spay/Neuter Partner Veterinarians spayed or neutered 980 shelter animals and 593 public animals owned by low-income residents of King and Pierce County through our SPOT program.

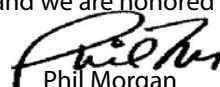

We are not only an adoption agency; we are also an educational organization. Community outreach is a vital part of our shelter. Over 986 active volunteers spent 34,070 hours at our mobile adoptions, cleaning kennels and cages, providing foster care for animals in need, doing laundry and dishes, walking dogs, helping with customer service and fundraising. Thanks to our dedicated volunteers and staff, we were also able to keep the world informed on our progress through our website and our AVHS Facebook, Twitter and Instagram pages.

Over the past year our Board of Directors has grown, we have generated and maintained our revenue stream and successfully managed our expenditures. We also grew our animal related/ human service programs. The Public Veterinary Assistance and the Pets in Crisis funds assisted the owners of 84 animals with emergency medical and boarding needs. Because of the success of the Shelter Buddy Reading Program, 76 children spent their time reading to our cats in feline adoption. The Girl Scout Badge program saw 78 Girl Scouts receive their AVHS patch in 2019. AVHS has continued a memorandum of understanding with King County and DAWN to house the pets of domestic violence victims in our community. We partner with Seattle Humane Society for the Pets of Seniors Food Bank which continues to grow.

Acknowledgment for these many successes goes to our dedicated staff and volunteers, the support of the City of Auburn and neighboring animal sheltering agencies as well as the generous devotion of the citizens of King and Pierce Counties... and of course, the financial donors and supporters of Auburn Valley Humane Society.

We have again ended this past year as an active and vibrant part of our community. We are thankful to have been able to accomplish what we have in 2019. We could not have done it without your help and we are honored to be here among you, continuing our mission.

Phil Morgan
President/CEO

BY THE NUMBERS

INTAKES

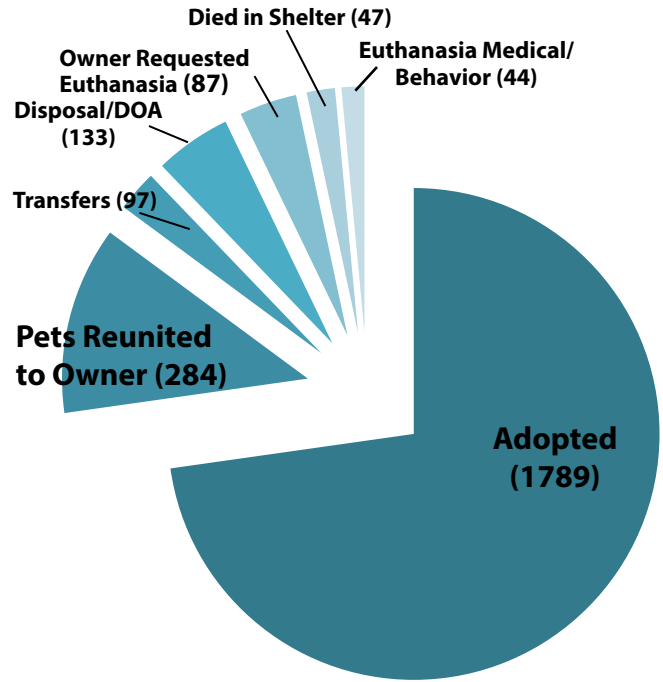

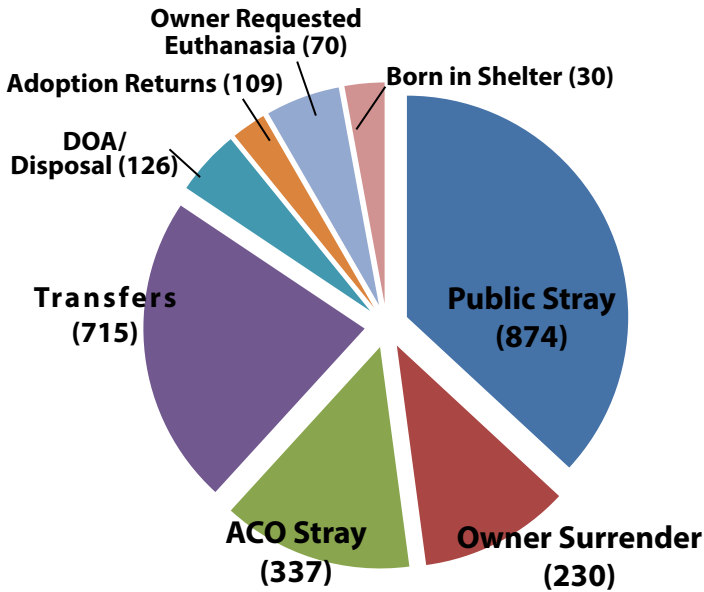

Intakes include animals that came into AVHS as owner surrenders, public strays, animal control strays, transferred from other animal welfare organization, born in care, owner requested euthanasia, DOA/disposal and adoption returns.

TOTAL INTAKES: 2491

Dog/Puppy Intakes: 889

OUTCOMES

Auburn Valley Humane Society strives to find a loving family for every adoptable animal. In 2019, AVHS found new homes for 1,789 adopted animals and had a live release rate of 98%. The outcomes include animals that were adopted, transferred to rescue groups, reunited with their owners, died in shelter, DOA (dead on arrival), euthanasia medical/behavior and owner requested euthanasia.

AVHS does not euthanize animals for time limits, space or age of the animal. AVHS utilizes every resource possible to find forever homes for the animals in our care.

*Other intakes and outcomes include birds, rabbits, guinea pigs, reptiles and small pets. There were 43 cats, 10 dogs and 5 others in our care at the shelter.

MEDICAL STAFF AT WORK

In 2019, Auburn Valley Humane Society medical and animal care staff provide quality, loving care to every animal who comes into our shelter. The animals in our care receive physical exams, vaccinations, spay/neuter services, microchips and in some cases, extensive medical and dental care prior to adoption to a loving family.

MAKING A DIFFERENCE

One of the ways we measure our success is by how long a cat or dog is in the shelter before they are adopted. The smaller the number, the sooner they go to a new home and the more animals can come to us for lifesaving care. Moving animals through the shelter faster reduces stress and illness.

HAPPY TAILS

Changing Lives ... Four Paws at a Time!

Clover

Chloe (now Clover) is the sweetest pocket-sized pointer you could ever meet! She loves everyone she meets and has been wonderful with all the other dogs in her new family. She attends dog training and is learning her basic commands. She is super smart and eager to please, as long as cheese is involved. When you know, you know, and I knew this little girl is what was missing from my life and I am very thankful that she has wiggled her little butt into my life. Thank you for helping complete my canine family
Adopted 11.15.19

Arya

Arya has made lots of cat friends! She likes to climb banisters and take things from her people and hide them in the house!
Adopted 5.9.19

Jersey

Jersey has been adapting to our family great. She was welcomed by myself, my husband, and our 3 year old Husky/German Shepherd dog, Khaleesi. Jersey brought a new puppy spirit to our house that we were missing! She is already very attached to all of us and follows us everywhere.

She loves to play with toys by herself, play tug a war with us, or play chase with Khaleesi. With her being deaf, she is learning our hand signals pretty quick and she is eager to please; especially when we have treats in hand. We bring her everywhere and she's getting a lot better on a leash as well!
We can't wait for the years to come with Jersey!
Adopted 10.9.19

Maggie

Maggie has blended into our family incredibly well. The transition has been seamless. Maggie is quite possibly the perfect dog. She has melted the hearts of every person that has had the privilege of meeting her.

With that said, she is protective of her new family. I plan on enrolling her into some sort of behavioral training in order to ensure that she doesn't allow herself to unintentionally lash out at someone that isn't an actual threat.

She seems to understand that this is home. She is such a sweetheart. She doesn't bark, she listens, she is the worlds best cuddle buddy, she won't eat food that has been left within reach by tiny humans, and she even will sit patiently in the living room while we eat.
Adopted 2.20.19

Changing Lives ... Four Paws at a Time!

Rey

We all fell in love with her. She even won over the less excited ones in our family. She is honestly the sweetest cat I have ever met.

I am so grateful that Auburn Valley Humane Society has amazing

volunteers like Maureen. Had I not had her as a support, I'm not sure I would have taken the leap. Thank you for our little sweetheart! We are so great full and our hearts are full of purrs and snuggles.

Tyson

Tyson is a joy, and he attached himself to me right away, which thrills me as I wanted a companion.

Tyson and I started a 16 week training program, to work on good citizenship behavior and to learn to manage the aggressiveness. Already there is improvement in his behavior on the leash.

It seems Tyson has been in a home before, as he adapted to many things right away. He loves going out to the back yard and playing or just running to burn off some energy. He clearly knows where the treats are stored, and can sit at attention for a treat! Tyson is very loving, and really enjoys attention and lots of loves. He follows us all over the house, and will stay with us in the same room.

Roscoe

Roscoe has been a great addition to the brood! He has the greatest smile, as you can see! After following Hank (one of our other AVHS rescues) around to get the lay of the land, they are beginning to become buddies. It was great to find out he was related in some way to Grizz (another AVHS rescue) and they cuddle on the couch often. When he comes in from outside he gets the zoomies and you'd never think he was 9 years old!

Adopted 6.28.19

Fangs (now Beverley

Due to her lack of teeth, I decided to change her name to something that fit a little better. Her new name is Beverley and she seems to love her new home. Her respiratory problems have cleared up and she's not having any trouble putting on a little extra weight. Thank you for saving her life and nursing her back to health. She has lots of love to give and I enjoy her company as much as she enjoys having a good home.

Sammy

Sammy is spoiled and a trouble maker! When he's not playing with his own toys, he is trying to steal them from the neighbors.
Adopted 3.5.19

Fay'e with Liberty

The dogs are doing great! We changed their names a bit. Liberty is now Lola, and Fay'e is now Fey. They are incredibly well-behaved, sweet dogs who have happily bonded with each other and with us! We couldn't be happier with them!

They spend their days lounging on the couch or in front of the fire, taking breaks to tear around the back yard, rough house together (always good naturedly) and check in on whatever I might be doing.

Lola is a huge cuddle bug, she is happiest curled up in someone's lap. Fey takes great joy in chewing the toughest toys we can find! They both LOVE playing, and they tug, chase and romp with each other as much as they can get away with. They both give really nice social cues to each other, and Fey has taken on the role of patient teacher, while Lola is more of an enthusiastic student in dog manners!

We can't stop saying how happy we are and how lucky we got to find these dogs. It feels like they've always been here and we can't thank you enough for caring for them and bringing them into our lives!!
Adopted 11.2.19

Willow

We love the staff at the Auburn Humane Society! Everyone is so nice, friendly, and helpful.

Willow (full name is Lt. Willow Bark) is settling in wonderfully in our house. She has already taken over the ledge of our bay window. She loves to watch the neighborhood goings on and when we are out of the house it is the best spot to watch for our return. She's a snuggle monster and a total treat snob. We feel so lucky to have found her, with the help of your staff, because she is the perfect fit for our household.

Adopted 10.13.19

Merlot

Merlot is adjusting very well to her new home. Since she's still a kitten, she always wants to be around my husband and I. She loves to play and run up and down our stairs, and nap anywhere including the tops of our shoulders. She's also quite vocal for being so small. We are very happy with the new addition to our family. We had a great experience at the humane society and are so happy we adopted a pet that really needed a home. I've also been following your Facebook page and it's nice to see other people choosing the adoption route.

Kricket

We adopted Kricket from AVHS in May 2019 as a companion animal for my dad. Kricket has been a ham and a ball of antics since day one! From showing off his death-defying tricks, like jumping down from the 2nd-floor landing to the main floor (not recommended), to doing speedster zoomies around the room, Kricket adds just the right amount of laughs to life. His good looks make him easy to forgive for the heart attacks.

He is as spoiled as they come. This guy has us all wrapped around his little paw. From snack time to mealtime, Kricket sounds the alarm and the humans come running. He is King of the Kitty Tower. Don't let his regal stature fool you; he is a mischievous one. Forget buying cat toys, Kricket loves milk carton caps and goes out of his way to steal them while you pour your milk in the morning. He will try to bite them off used cartons too!

We could not be happier, neither could Kricket! Thank you Auburn Valley Humane Society your compassionate care for Kricket and other animals like him waiting for furever homes. Adopted 5.17.19

Buddy (now Sammy)

Buddy (or Sammy as we're calling him) is busy fitting in to his new home. He LOVES to go for walks...He tugs at the leash and looks back at us as if to say "Come on guys!" He sits on the arm of my son's chair and looks like he owns the house. He has a bit of separation anxiety...but when we come home he's a bundle of energy...his favorite thing is to greet us and then lay on his back so we can rub his tummy. Sammy is going in for his veterinarian exam this afternoon...and on Saturday he gets a hair cut. He has adapted to our brand of dog food and his appetite is improving. All told we're all smiles here in the Byxbe household. We couldn't be happier with our new friend.
